Mr. Harold Griffin—Superintendent

The running of a school has always taken a lot of time and energy. This year was no exception. Students and administrators worked together in hopes of passing the levy.

Some of the pressure was taken off the administrators by their staff: Mrs. Lola Hill, Mrs. Jean Coale, Mrs. Irma Futhey, Mrs. Ruth Brown, Mrs. Sharon Hieber, and Mrs. Cindy Cargill.

FAR UPPER RIGHT: Mrs. Moss checks library purchases. LOWER MIDDLE: Mrs. Medearis goes over students' records. UPPER MIDDLE: Mrs. Griffin starts the Freshman tests.

The Mixed Up Classes Of Journalism I

Both Journalism I and Journalism II are responsible for getting the El-Hi-Mo and the annual out.

In Journalism I, David Edminston and Luther McLain were announcing the starting line-ups at all of our home games. Cora Mason was taking statistics for Journalism. The rest of Journalism I were learning to take pictures, to work on layouts for annual, to write stories for the El-Hi-Mo, and to make movies.

In Journalism II annual editor Nahwana Gardner, tried to get more pictures for the annual but has been delayed by a lost camera, a broken camera, and cameraman who was on strike. El-Hi-Mo editor, Marvin Hensley, tried to get more editorials; like the argument with some of the townspeople on the school song. Danny Dennis, advertising manager for the annual, met his goal by selling over a thousand dollars worth of ads. Everyone else filled in their time decorating ferns, playing cowboys, gardening, and doing minor surgery on Cliff Green. To sum it up there is nothing more funner than Journalism II.

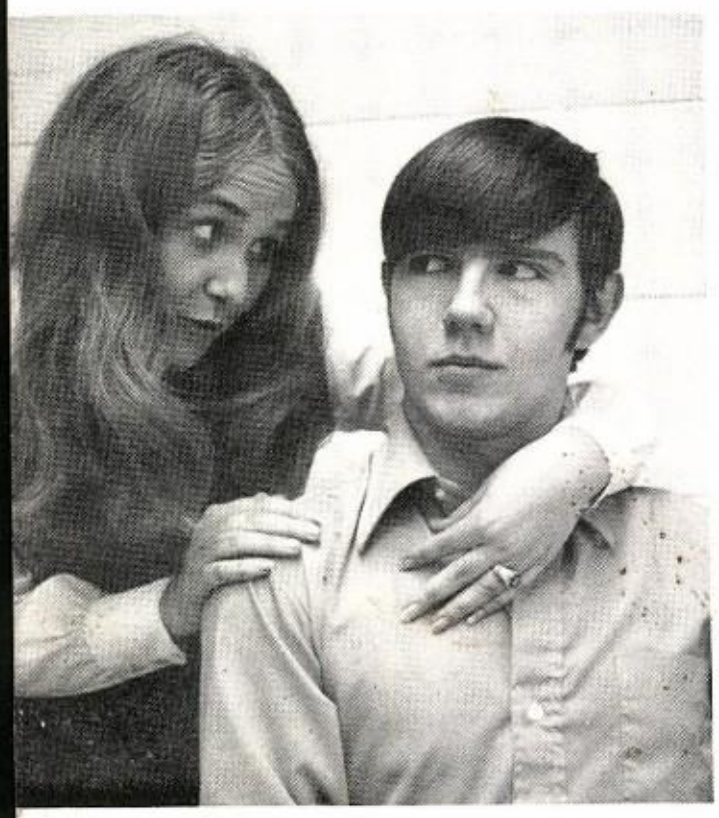
A Touch Of 17th Century Comes To EHS

Dramatics Club



Dramatics Club started off the year by amending their constitution to admit any student interested in dramatics. The club expanded in other areas. Moliere's "Imaginary Invalid" was presented in November. LOWER FAR LEFT: Donna Patrick and Darryl Alton practice. LOWER LEFT: After many tries, Rick Ayers learned to kiss hands 17th century style. Art Students Create

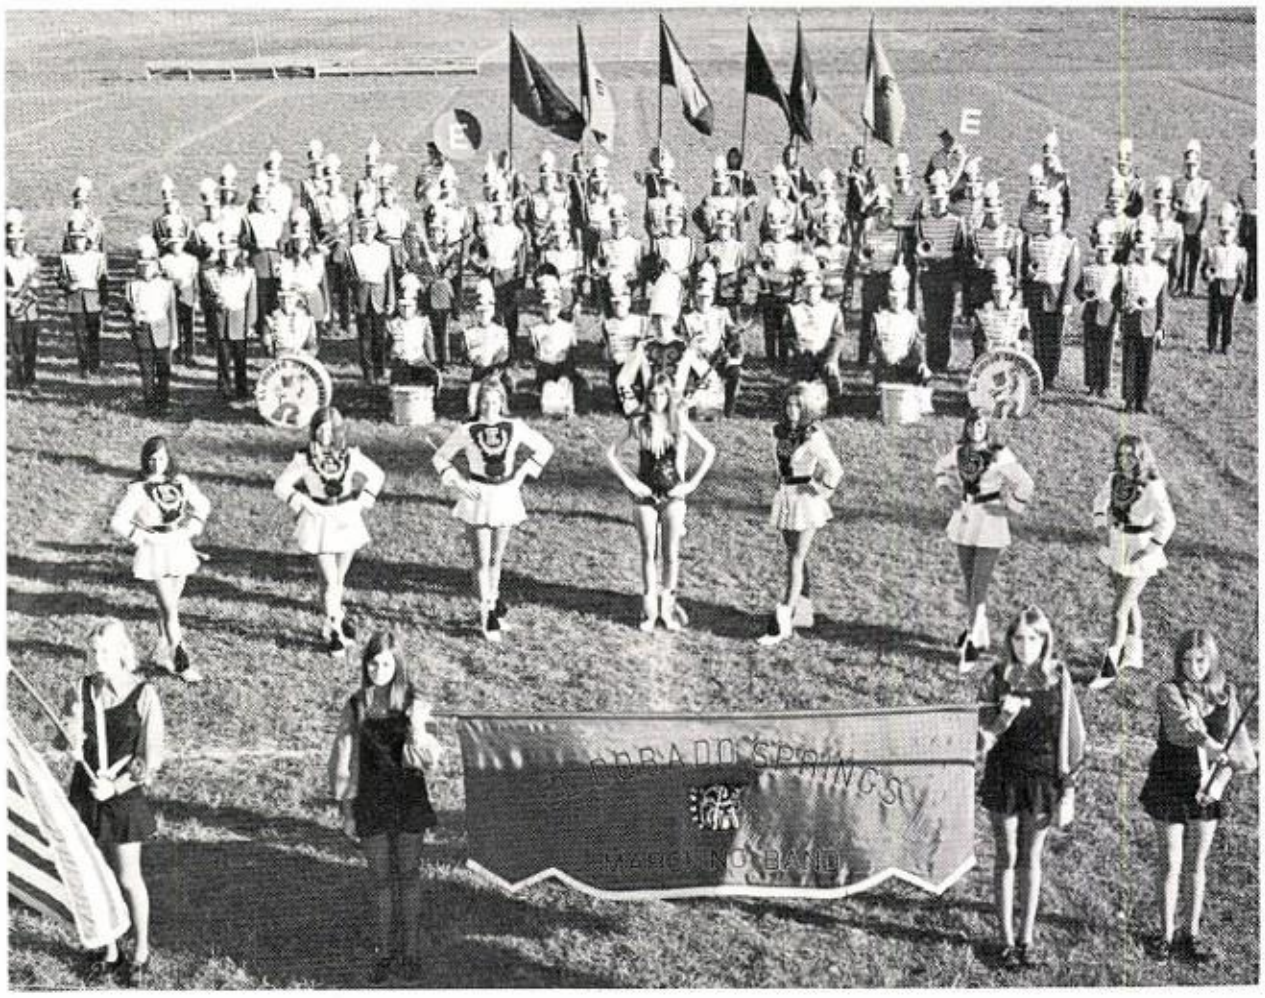
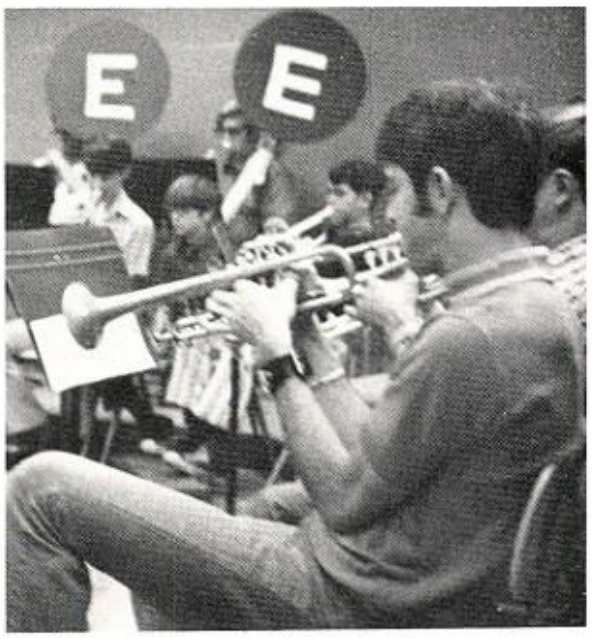
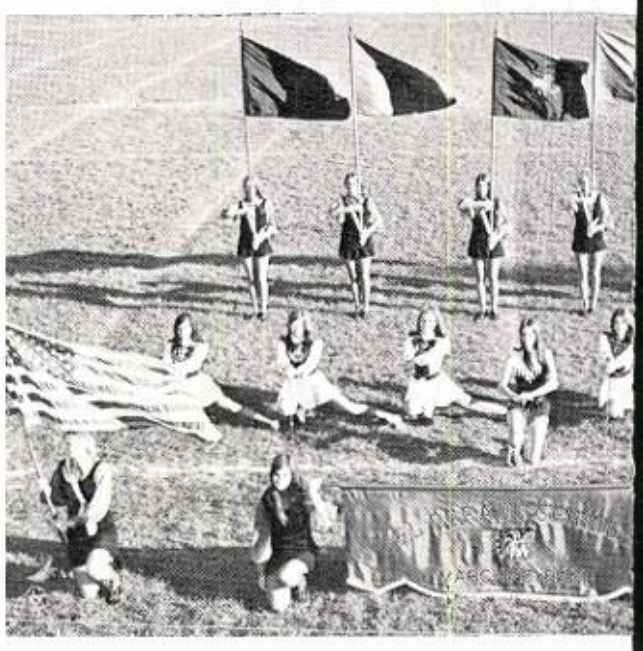
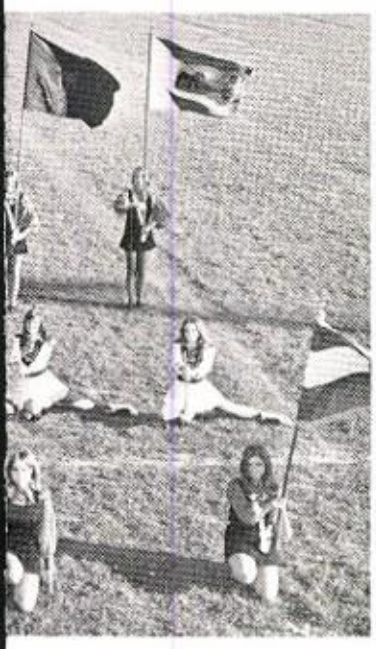
A new teacher, new ideas, and new students inspired the art department this year. Mrs. Lewis taught Art I, II, and III. Some of our projects were sketching a live model, making a junk collage, and working with ceramics. Art Club worked to bring a better appreciation of art into our lives. We had various drawing contests at our meetings and exchanged gag gifts at our Christmas party. Many Eldo Art Club members joined the Student District Art Association. Marilyn Shellhorn and Margaret Allinson were elected as district officers.

The Band Goes Marching On . . .



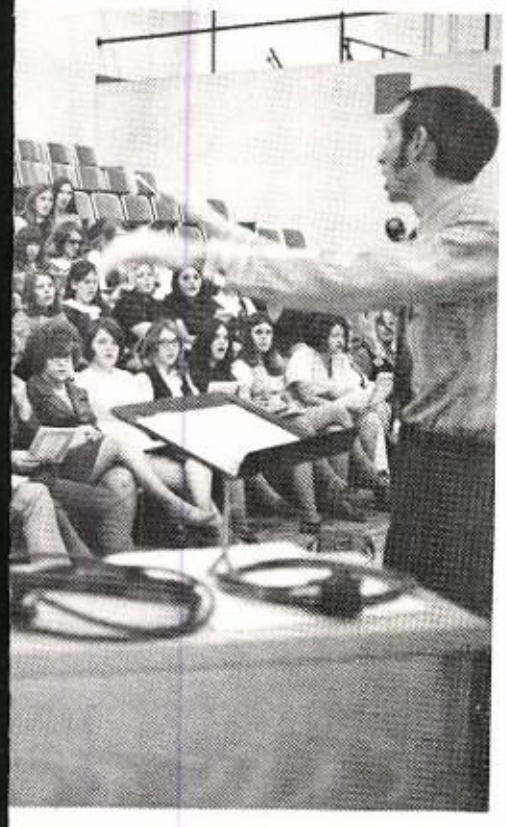






FAR TOP LEFT: EHS started off the new year with a new band teacher, Mr. Heide. TOP LEFT: In addition new music, new drills, new flags and new twirler and flag girl uniforms also added to EHS' marching band. FAR BOTTOM LEFT: La Danta Broughton was this year's new feature twirler. BOTTOM LEFT: Not everything is new as veteran band member Danny Dennis keeps on playing his trumpet. CENTER BOTTOM: Flag girls and twirlers pose in their new uniforms. TOP CENTER: Kevin Powell again directs the EHS marching band. UPPER RIGHT: The band can't always practice outside. When they do Debbie Jackson is glad to have a coat, ABOVE. FAR BOTTOM RIGHT: Daniel Wallen proudly plays the EHS marching band's drum.

Self-Expression Through Music



Choir and orchestra were led by Mr. Robert Heide. The choir, made up of sixty-six members, performed at chapel services, PTA, and the Nevada State Hospital. Ten members of the choir participated in the District Honors Choir held at Bolivar. Choir students from the West Central Conference came to El Dorado for a choral clinic. The choir practiced all day and gave a performance that night. Thirty-eight junior and senior high students made up our orchestra. A fall PTA program and the Christmas cantata were two places the orchestra performed.

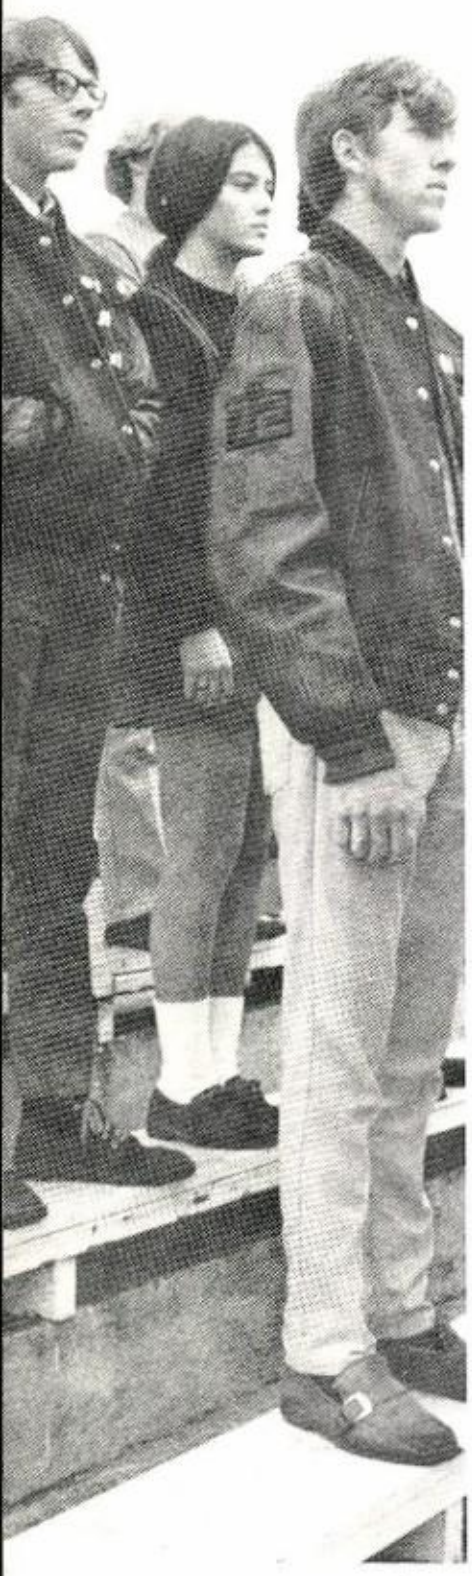
We Are The



We've only just begun to live,
White lace and promises,
A kiss for luck and we're on our way.

We've only begun,
Before the rising sun,
We fly
So many roads to choose,
We'll start out walking and learn to run.

And yet we've just begun...
Sharing horizons that are new to us,
Watching the signs along the way.

And when evening comes...
We smile
So much of life ahead,
We'll find a place where there's room to grow,
And yet we've just begun...

Where will you find yourself in a year or two?

Join the Air Force and you will find yourself doing a great job at an exciting duty station. That's because the Air Force gives you the chance to learn a skill, and the chance for foreign travel. Just two of the reasons thousands of young men and women enlist each year.

Whatever your goals are, Air Force training and travel can take you a long way toward getting your future off the ground.

Find yourself in the United States Air Force

She's found what you're looking for.

The day comes in every girl's life when she realizes she's got to find herself. The Air Force helps a girl do that. By opening up a whole new world of travel and new faces. And putting her in a new wardrobe to meet that new world. But, having your own job, and developing responsibility and pride in yourself as well as your service: that's what will make you a woman in the Air Force. That's what will make you a woman anywhere.
